AGENDA:

1. Call to order.
2. Consider timing of future CDBG Housing application, whether that would compete with a street rebuild, and how it would fit with use of extra year allowance to use TIF revenue for affordable housing.
3. Discussion/possible action to recommend addition of ADA compliant pathway at RC Visitor Center to allow ADA access to baggage car. Possible additional discussion/action on other installations to allow those with mobility limitations to experience the other rail displays that are not ADA accessible owing to the time period in which they were constructed.

Action to go into closed session under authority granted in S. 19.85 (1) (e) to deliberate or negotiate the purchasing of public property, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a closed session; to wit; to consider making Proposal to County for disposition of City and County-owned industrial property and recommendation to City Council on same.
