5:00pm – Council Members present: M. Platteter, B. Morgan (M. Reynolds absent) – Others present: T. Devine, R. Carlson, Ryan Jack Paint Co., Chief Gibbs, Doug Pavlik

Call to Order:

Mr. Platteter called the meeting to order.

Driving Tour of Ladysmith Fire Hall:

The group met at the Fire Hall to discuss the painting of the walls. Chief Gibbs pointed out that we had just put weep holes in the walls last year to deal with moisture issues. He thinks painting the walls now would not be a good idea as it would effectively trap moisture in the walls, which would promote mold and deterioration of the walls. Mr. Pavlik, and Ryan Jack Painting agreed. It was decided that the painting of the Fire Hall should be delayed until next year.

Driving Tour to Visitors Center / Soo Line Rail Display:

Visiting the Rail Display was deemed unnecessary at this point, so the meeting did not travel there. The Ryan Jack Painting Co. bid of \$22,770 was deemed appropriate. Motion to recommend to Council approve said bid by Mr. Platteter, seconded by Mr. Morgan. Motion carried.
