7. Adjourn.

Prepared on 07/05/16 by A. Christianson

As it is common practice for City Council members to attend meetings of committees they are not voting members of because the subject matter on the agenda interests them, it is possible that a quorum (4 or more members) of the Council will be present. Please be aware, however, that it is not the intent to take Council action at this meeting and that any action taken on the above agenda will only be in the form of advice or other recommendation to the full Council.
